

PRIVACY POLICY

6X Innovation Ltd (owner of the PlayaPutt brand) is committed to maintaining your privacy. The following information describes the practices we maintain regarding any personal information that you provide to us. Please take a moment to review our privacy statement and to then contact us with any questions or concerns you may have.

From time to time 6X Innovation Ltd may need to make enhancements to our privacy practices. This may happen as the result of government regulation, new technologies, or other developments in the area of privacy protection. Any updates to our privacy policy will be clearly posted on the PlayaPutt website. Please check back at our website periodically to learn more about how 6X Innovation Ltd is adhering to best practices in safeguarding your privacy.

Personal and Demographic Data Collected by 6X Innovation Ltd

6X Innovation Ltd may ask for your name, email address, postal address, and phone number when you contact or deal with us. We require this information to provide you with the products and services you have requested. During or after registration, 6X Innovation Ltd may ask for other information about you and your interests through forms, surveys, or contests. We may also ask whether you want to receive other information from us via email and postal mail. The information you provide allows us to make you aware of products, services, events and other information that is likely to be of interest to you. If you do not wish to receive such information from us, please let us know by email to info@playaputt.com.

Sharing Of Data With Third Parties

When you provide personal information to 6X Innovation Ltd, we will keep your information in confidence and will only use it to communicate with you about 6X Innovation Ltd sponsored programs, products and activities that we believe may be of interest to you.

I.P. Addresses

6X Innovation Ltd may collect IP addresses of those browsing our sites as a complementary way of tracking site usage. We do not track any individual person's activities using IP addresses. Instead, we use this information solely to determine the number of times browsers view a page of our site and to aggregate information that allows us to continuously improve the quality of our website.
